The youth leaders are excited to have parents come alongside and work with us while we teach and lead your kids. Please be aware we will have opportunities for you parents to join us on different events and if you are interested in leading or supporting an event, please let Jeff or Ashley Struik know. Anyone working with the youth must be a member of Real Life Hollister and have a background check done.

## Topics Being Covered this Quarter

### **May**

*Blessed are the pure in heart,  
for they shall see God.*

MATTHEW 5:8

### **April: Authentic Faith**

Students will follow Jesus' journey through life, death, and resurrection and see how His life and resurrection offers hope, help, and purpose for their own lives. From the miracle of Lazarus to the resurrection itself, students will discover that Jesus' story proves His promises are true. This series will inspire them to see that they, too, can experience hope and full life in every part of their life story.

### **May: Authentic Faith**

What does it really mean to see God at work in our hearts, lives, and world on an everyday basis? That's the big question we hope to answer for your students in this series! While they may not be able to physically see God in a concrete way, they can look for the fruit of God's Spirit as evidence of God's presence in their own lives and in the world around them. Utilize Gen-z's natural tendency to be observant about what is going on in the world on a larger scale, to help them see that God is present is every moment, even the mundane ones.

### **June**

*But they who wait for the  
LORD shall renew their  
strength;  
they shall mount up with  
wings like eagles;  
they shall run and not be  
weary;  
they shall walk and not faint.*

ISAIAH 40:31

### **June: Wise Choices**

What does it mean for students to be resilient? Our goal in this series is to help the students see how following Jesus and finding hope, rest, help, and comfort in Him can develop strength and resilience over time. While it won't always be easy, when students find their source of resilience in Jesus, they can rest assured that they'll always be able to come back from any setback.
